IS YOUR COMPANY FACING FINANCIAL DIFFICULTY? PREVENTION IS BETTER THAN CURE

written by Nathalie Schlenker | August 18, 2026

Companies today face a wide array of challenges, ranging from legal disputes to financial strain caused by global instability, market volatility, and rising operational costs.

Experience shows that financial problems can have a paralysing effect on business operations. In such situations, a proactive, hands-on mentality is crucial to effectively navigating and overcoming these difficulties.

At times like these, the guidance of a trusted legal partner is invaluable. STUDIO | LEGALE offers comprehensive support to help your company manage and resolve financial distress:

1. Legal Advice and Strategic Planning: STUDIO | LEGALE specialises in providing expert advice on all legal aspects of corporate management. We assist in drafting robust contracts and terms and conditions designed to protect your company from future financial risks. Through a thorough analysis of your specific situation, we develop tailored strategies to address current challenges and prevent future legal complications.

2. Restructuring: If your company is facing financial difficulties, STUDIO | LEGALE provides end-to-end support in planning and implementing restructuring measures. Our services include:

· Negotiating individual payment arrangements with creditors;
· Optimising liquidity and risk management;
· Providing assistance with *judicial reorganisation* proceedings (including *amicable settlements*, *collective agreements*, or *transfer under judicial authority*).

3. Insolvency and Bankruptcy: In cases of persistent *insolvency*, STUDIO | LEGALE advises on the necessary legal steps, including the filing of a *bankruptcy petition*. We protect the interests of the company and its directors throughout the process. Please note: under Belgian law, a bankruptcy petition must be filed within one month of the cessation of payments to avoid potential director liability.

In short, STUDIO | LEGALE is your dedicated partner in financial recovery and restructuring. By working together, we can help you take the necessary steps to overcome these challenges, safeguard your business, and achieve your long-term objectives.
