

COMMERCIAL LAW & ECONOMIC LAW

written by Dennis_ Rombaut_ | June 19, 2021

From SMEs to flourishing multinationals: we can assist you at crucial times as well as during the daily running of your enterprise. We provide advice to starting entrepreneurs as well as assistance to established enterprises during their further growth. Our team has comprehensive expertise in drawing up a wide variety of commercial contracts and can further assist you with all possible negotiations and legal proceedings that you might be confronted with when 'running a business'.

- purchase-sale;
- (commercial) lease;
- collection of invoices;
