We offer legal and practical advice for all your legal employment problems. We can also draw up and provide assistance for contracts for self-employed persons, management positions, management companies, and such.

- drawing up employment contracts;
- (instant) dismissal;
- amendment of the terms and conditions of employment;
- car policy;
- alternative remuneration;
- non-competition clause;
- impact of new technologies;
- accidents at work and occupational diseases;
- the social status of self-employed persons;
- conflict with the National Social Security Office.
