

(INTERNATIONAL) CRIMINAL LAW

written by Dennis_ Rombaut_ | June 19, 2021

Whether you are the offender or the victim, a customised defence and approach will be provided. In addition to general Criminal Law, our specialists can assist you with the following:

European Arrest Warrant (EAW) and extradition;

interview by the Police and Investigating Judge (Salduzassistance);

pre-trial detention (your defence before the Court in Chambers and Indictment Division);

lodging a complaint (if necessary with appointment of an Investigating Judge who must investigate the offence independently);

- out of court settlement;
- attachment procedures under Criminal Law
- execution of a sentence (sentence enforcement court) execution investigations (Convention implementing the Schengen Agreement);
- anti-money laundering legislation;
- financial- economic Criminal Law;
- bankruptcy offences;
- liability under the Criminal Law on the part of legal entities;
- customs files.

If you or one of your loved ones and/or your company is the victim or a suspect in an offence committed abroad, or arrested in another country, we have an excellent network of foreign criminal law experts available to help.
